SCORECARD PLAYOFFS ... Treasurer Pete Schoemann

Each flight pays off 6 places and occasionally after computing net scores within the flights, 2 or more players are tied for 6th place money. These ties are resolved by comparing scorecards, starting at Hole #18 and working in reverse order.

SKINS POTS:

NTSGA has the pleasure of playing many of the highly rated courses in the DFW area. Each of these courses has an established Course and Slope Rating provided by the United States Golf Association. These established ratings are used by Handicap Chairman Howie Bacharach to determine each member's handicap for the specific course and tee boxes that we play. The course handicap is used for all competition (flights, skins and two-man team competition). The tee boxes for each tournament are printed on the computer generated scorecards, and also announced by Handicap Chairman Rod Wells. Members 75 years of age or older may tee off from the forward tees. Members less than 75 years of age may also tee off from the forward tees providing their handicap is 18 or above...if the member elects this provision, Handicap Chairman Howie Bacharach must be notified.

There are two Skins Pots that members can compete. Cost is \$10.00/pot. The <u>Gross Skins Pot</u> uses the players score recorded on any given hole, without handicap. One tie, all tie. The <u>Net Skins Pot</u> is computed the same way, but using the players course handicap to determine the winner of a skin.

Of all the players entered into the Skins Pots, the lowest handicap member in each Pot is assigned a baseline handicap of "0". All other players in that Pot will have their handicap computed from the baseline player. Example: If the lowest handicap golfer in a particular Pot is 8, that player will be baseline "0". For a player who has a 12 handicap, he will receive 4 strokes for the round on the 4 hardest holes on the course.

The Skins Coordinators, Scoring Committee and Handicap Chairman feel that this method of handicap computation allows all members a fair and equal opportunity to win a skin. If a player has an exceptionally good hole during our tournaments, he has as good a chance to win a skin as all other players.

HONEST ABE JAMES...

Upon completion of entering scores into the computer after the round at Buffalo Creek (Feb.24), the results showed **James Powell** making an eagle on the par 5, 14th hole. It resulted in James winning a \$150.00 skin. As soon as he saw the results, James knew there had been an error and discovered that two back to back holes had scores entered in reverse order. He actually scored an 8 on the 14th hole. He notified the Scoring Committee and they re-ran the computer scoring data for Buffalo Creek, rectifying the mistake.

MORE GOLF.....

NTSGA Director Greg Windsor is involved with the Defenders of Freedom golf event

benefitting wounded/injured veterans, first responders and their families. The event will be held at The Tribute and Old American golf courses on Monday, May 17. Cost is \$200.00 per player or \$600.00 for a 3 man team which includes the assignment of a wounded veteran to make the fourth player. Your foursome may choose to play either course. The charitable contribution to play in this event includes golf, lunch, dinner, a golf package, the vet's flight in, hotel for two nights and

their transportation. For additional information contact **Greg** at 972-365-6261, ngwindsor@verizon.net or Donna@defendersoffreedom.us

...did some financial planning and it looks like I can retire at age 62 and live comfortably for eleven minutes!

RULES REFRESHER- OUT OF BOUNDS:

A ball hit out of bounds (defined by white stakes) may be brought back into play within 2 club lengths of where it last crossed the out of bounds line, no closer to the hole. You may play your next shot from that point or anywhere on a straight line from where it crossed the out of bounds boundary back to where you hit the errant shot. Penalty: 1 Stroke. You cannot use the 1 club rule to move a ball that is out of bounds, back inbounds. Any time a ball is out of bounds, the golfer incurs a 1 stroke penalty.

ENTRY FEE....

At Check-In, some members tell **Tournament Chairman**, **Rod Wells** to deduct the entry fee from their NTSGA bank.....when they don't have sufficient funds in their account. There is a \$25.00 insufficient funds charge assessed to the member if this occurs. This should <u>never</u> happen as all Bank account balances are updated and available for viewing on the Check-In table at each tournament site.

FUNNY...

A man is getting into the shower just as his wife is finishing up her shower, when the doorbell rings.

The wife quickly wraps herself in a towel and runs downstairs.

When she opens the door, there stands Bob, the next-door neighbor. Before she says a word, Bob says, "I'll give you \$800 to drop that towel." After thinking for a moment, the woman drops her towel and stands naked in front of Bob. After a few seconds, Bob hands her \$800 and leaves.

The woman wraps back up in the towel and goes back upstairs. When she gets to the bathroom, her husband asks, "Who was that?" "It was Bob the next-door neighbor," she replies. "Great", the husband says.

"Did he say anything about the \$800 he owes me?"
